

Identity politics and ethnic diversity in Europe: a changing agenda

Irina Semenenko, IMEMO RAS

Voronezh, 4/07/ 2016

(Ethnic) identity politics and (ethnic) identities in politics

- Brexit: an identity vote?
- Ethnicity and identity: the 2011 Census
- Ethnicity in the political discourse

Politicizing ethnicity: factors, actors and debate

- Neo-nationalism: why - neo?
- Migration crisis and migration policies impact
- Welfare state and multiculturalism

Ethnic identity politics in “territories of identity”: 3 case studies

- Bolzano / South Tyrol

- Northern Ireland

- Transylvania

Identity politics: ethnic connotations

- Language politics
- Symbolic politics
- Memory politics

Education

The new agenda: how new is it?

- “Responsible development”
- Social creativity
- Grass root involvement
- “Reconciling” civic and ethnic identities

Challenges for Russia

- Federalization
- Society empowerment
- Common cultural space
- Migration and integration policies and public debate
- National identity and nation-building agenda
- A development agenda
