

# EULAP

EU-Russia Law Approximation  
Jean Monnet Module

Co-funded by the  
Erasmus+ Programme  
of the European Union

# GENERAL INFO:

- Duration of the Project: 2015-2018
- Module leader: Dmitriy Galushko, Associate Professor of the Department of International and European law, Law Faculty, VSU
- email: [galushkodv@gmail.com](mailto:galushkodv@gmail.com)

# REASONS:

- EU Law reflects modern legal phenomena, regulating the most recent technological innovations and social and economic changes.
- Adopting pieces of national legislation that meet the highest standards and modern international legal practice.
- Development of legal approximation of EU law with legal systems of EU member-states, Russia and other partner countries will also contribute to the achieving a goal of creation of the Common European space from Lisbon to Vladivostok in its legal, economic and other dimensions.
- Exploring of the process of EU, Russia and partner countries law approximation is crucial for preparation of modern, highly qualified specialists in European, Russian and International jurisprudence.

# OBJECTIVES:

- to extend the curricula on the topic;
- to improve the professional skills of the students;
- to provide the students with in-depth knowledge of European integration process;
- to provide the students with in-depth knowledge of the EU law and EU-member-states and partner countries law approximation;
- to develop future specialists who possess a keen understanding of the European integration and EU legal processes involved in it, their influence on the Russian legal system and legal systems of partner countries;
- to create online information resource on modern developments of EU law.

Co-funded by the  
Erasmus+ Programme  
of the European Union

# EULAP MODULE:

The main part of the project is modernization of some existing courses by introducing of new parts and topics within them. That topics are connected with questions and problems of EU law's influence on legal orders of member-states and third countries, particularly Russian Federation, such as:

- Mechanisms of legal harmonization and unification within the European Union;
- Interaction of EU law with legal orders of member-states;
- European Union's relations with third countries;
- EU-Russia relations;
- EU-Russia law approximation.

Co-funded by the  
Erasmus+ Programme  
of the European Union

The topics have been added to the number of academic disciplines both within bachelor's and master's programs of the Law Faculty of the Voronezh State University, in particular:

- International law
- European law
- EU law
- Actual problems of International law
- External economic activities.

Co-funded by the  
Erasmus+ Programme  
of the European Union
